CUSTOMER COMMUNICATION - RESTRICTIVE ENDORSEMENT FOR REMOTE DEPOSIT SERVICES

To All Users of remote deposit services offered by Old Line Bank,

To comply with changes to Regulation CC: Availability of Funds and Collection of Checks, Old Line Bank will require the restrictive endorsement for items received for deposit by electronic check, or image. Remote Deposit Capture and Mobile Banking Check Deposit services will now require the addition of a restrictive endorsement to protect against the cases of duplicate check presentment.

- Using black ink, endorse each item submitted for deposit through Mobile Banking with "For Mobile Deposit Only, OLB".
- Using black ink, endorse each item submitted for deposit through Remote Deposit Capture with "For Remote Deposit Only, Old Line Bank". For your convenience, RDC Users will receive one endorsement stamp to comply with this requirement.

Beginning October 1, 2018, remotely deposited items received without this remote or mobile restrictive endorsement may be declined or rejected.

For additional information contact your local community branch.
